

Fusion Employment Services Ltd Data Protection and Privacy Policy

Fusion Employment Services Ltd is an independent recruitment consultancy specialising in marketing and sales roles. We offer recruitment solutions across Permanent, Contract and Freelance disciplines and an Executive Search and Selection service for senior positions. Any information submitted to the Fusion Employment Services Ltd website by individuals seeking employment will be used in accordance with the Data Protection Act 1998. We take your privacy very seriously and collect only essential personal data supplied by you so that we can assist you in the recruitment process. Fusion Employment Services Ltd does not sell, trade or rent your information to others.

We will not request information from you, which is excessive and will try, with your assistance, to keep the information we hold about you up to date and accurate.

Fusion Employment Services Ltd goes to great lengths to protect your data from loss, misuse, unauthorised access or disclosure, alteration, or destruction. Only those employees involved in the recruitment process are provided with your personal information. By registering your details with Fusion Employment Services Ltd and by subsequent visits to update your personal information, you consent to the collection and use of this information by Fusion Employment Services Ltd.

The information collected on you and further information collected from you in the future will be used to create a database. The database and the information it contains will be used by Fusion Employment Services Ltd to assess your suitability, skills and qualifications not only for current vacancies, but also for future vacancies Fusion Employment Services Ltd think may be of interest to you.

Fusion Employment Services Ltd may also use your information to keep you informed by telephone, e-mail and/or mail of future vacancies which Fusion Employment Services Ltd consider may be appropriate to you.

Fusion Employment Services Ltd uses 'Cookies' on the website. Cookies are small pieces of information stored by us on your computer which enable us to identify your computer when you access our website. We will not disclose information obtained by the use of cookies to third parties.
